

# GET GOLF READY

---

**Get Golf Ready** provides all the basics to help a new golfer become comfortable on the golf course.

The "**Get Golf Ready**" program is an industry-wide initiative based on the First Swing and Link-Up 2 Golf programs of the PGA of America. The program is to be completed in five (5) sessions and has a "learn and play" focus in each session.

Get Golf Ready has two components within each lesson:

- **Swing Instruction** – 1 hour of introduction to the basic terminology, rules, etiquette and 5 basic golf shots (full swing, putting, chipping, pitching, bunker play)
- **On-Course Experience** - Each lesson allows students to apply the swing instruction of that lesson on the golf course with 1 hour of mentoring from EWGA members. By the fifth lesson, students will have the knowledge and ability to play a hole from tee to green. During the fifth lesson, students will play as many holes as possible for 1 hour. Other areas of the game like Rules and Etiquette will be addressed while students are on the golf course.

Class Dates:	July 12, 19, 26, August 2, 9 (Monday's)
Class Time:	5:30 PM to 6:30 PM
Mentor Time:	6:30 PM to 7:30 PM
